

Agenda for the GIC leaders' meeting

Prayer and Welcome

Purpose of the Global Impact Celebration

Key principles of personalization:

- *Identification* - Help the congregation get up close and personal with the mission partners.
- *Involvement* - Help the congregation find their place in missions. Involve as many people as possible in the planning of the GIC to encourage mission engagement among members of the congregation.

Show the GIC video.

The goals of the GIC are:

1. for God to be glorified.
2. to create a vision for missions.
3. for hearts to be touched.
4. to have finances committed for missions.
5. to have people's lives surrendered in new and fresh ways.

Schedule: Give a brief overview of each event.

GIC team leaders: Have each leader introduce themselves and state their role and position on the team. Create a spreadsheet with all volunteer contact information. Check their contact info on the spreadsheet.

Show how to access training materials on the GIC website.

Encourage immediate recruitment.
