

MISSION LEADER COHORT

for deeply engaged mission leaders

Leading a church in missions can get complicated. The further you get down the road, the more complex the issues can become. This cohort is for those currently serving on staff in churches that are deeply engaged in missions. In community with others and through peer-to-peer discussion and idea exchanges, you will address the unique and pressing issues facing you as mission leaders today.

Meetings

This cohort of six people will begin monthly online meetings in October. Provided COVID restrictions allow, at some point during the cohort, we will spend two days together at our TMS Global office in Norcross, Georgia to get to know each other more deeply. Our cohort time together will conclude in February 2022 with an overseas trip. During those days, you will be a participant allowing you to engage as a learner rather than a leader. We hope that this will help reinvigorate passion for what you do, so that you return refreshed, recharged, and resourced to engage at even deeper levels. Our kickoff Zoom meeting will be Thursday, October 1, from 10:00 to 12:00 and 1:00 to 3:00, Eastern Time. Subsequent monthly Zoom meetings will run 1 ½ hours.

Cost

TMS Global is passionate about equipping the local church to live out its unique, missional calling. As such, generous supporters allow us to offer this cohort at no charge to you. You will be asked to cover your travel expenses and hotel accommodations for your time in Norcross, Georgia, as well the cost of the overseas trip (approximately \$3000).
