## **IDENTITY & FORMATION**

Re-discovering your story in light of God's story.

## **CULTURE & WORLDVIEW**

Re-discovering your neighbors story in light of God's story.

## **VISION CASTING**

Re-discovering your churches place in God's story of reaching your neighborhood and the nations.

## **IMMERSIVE EXPERIENCE**

Bring it all together in a cross cultural context as we practice ways of discovering cultures and contextualization of the Gospel in an international experience led by TMS Global's leaders in cross-cultural training.

TMS Global has the resources, the training, and the relationships with pastors nationally who are in this post-pandemic planning of trying to build a more mobilized, globally engaged church.
